	Subject	Alternative 4 - January 2009 Revision

Hello All,

The attached January 2009 revision of Alternative 4 incorporates EPA's comments since the October 2008 submittal of Alternative 4.

The file named "Alternative 4-January 2009 Rev" includes EPA's comments and how they were addressed in the January 2009 revision, plus the revised list of assumptions.

The file named "Alternative 4 CAD Cell Estimate Rev8c" is the spreadsheet; it is more legible when printed on 11x17 page size.

Please contact me if you have any questions or comments.
